THANK YOU for 2022

Spezialwerkzeuge und Werkzeuge

Dear Customers!

Thank you for your trust in us, the suggestions and the partnership. Unfortunately, our last year's wish for a normal year has not come true. However, the question arises "What is actually normal?"

In the course of our year, Advent and Christmas particularly stand for the memory of the great, indescribable God who has come to us in this "normality". He shares with us the normal and abnormal life and always offers us a good and therefore peaceful life.

Here are a few pointers on our own behalf:

1. Domestically, we still deliver free of charge from a net value of goods of 130 euros. Compared to other suppliers, you have high regular cost savings. Otherwise, we focus on the lowest possible costs for you by only charging a flat rate of 6.50 euros or, in the case of deliveries abroad, only the transport costs actually incurred without packaging. For larger orders with partially liquid materials, however, we are forced to send them separately and possibly calculate the costs. We ask for your attention!
2. We have to keep our order confirmations with proforma invoices and advance payment, especially for orders that do not reach us via the shop. Deliveries abroad are processed against prepayment. We ask for your understanding!

Would you like our almost usual wall overview calendar with date slider and you don't have it yet received as an enclosure in a delivery from us, then leave it let us know and we will add it to the next delivery you at.

We are also happy to take reservations for free send with your next order by mid-February 2023.

We wish you a "normal" Advent season and then a Merry Christmas. For the new year confidence, successful work, health and God's blessings.

Your Johannes Weiblen

PS Last shipping day in 2022 for very urgent stock items is Wed. Dec. 21. From Jan. 4th, we will process new orders and ship them from Monday, January 9th, 2023. Please postpone until January where possible. You can still send us your order with a corresponding note. THANKS!
